# IC INVESTMENT FUND CZECHIA SICAV (IC IF – MEDICAL SOLUTIONS SUBFUND)

## Investment strategy of the fund

1. equity participation in commercial companies (90%) entrepreneurial activity, especially in the field of research, production and distribution of drugs and medical preparations, as well as technologies and equipment intended for the field of healthcare (for example, breathing apparatus, MR, medical clothing), 2. movable property (5%), 3. loans (claims) (5%), 4. securities (5%)

## Why invest

Above-average expected return of 7% per annum on preference investment shares.

Zero exit fee

Preference share in the profits of the sub-fund (over the founder of the sub-fund – the holder of the Performance Preference Investment Shares – PIA) up to 7% p.a.

Provision of a minimum return of 7% p.a. on the PIAs, even in the event of a lower profit or even a loss of the sub-fund, the minimum return allows for a redistribution of the sub-fund's capital from the holders of the PIAs (the sub-fund's founders) to the holders of the PIAs (external investors), up to the amount of such sub-fund's capital attributable to the PIAs

Provision of a maximum return on the Performance Investment Shares – VIA of 12% p.a.

Up to a secondary share of any loss of the sub-fund, initially the loss is paid out of the sub-fund's capital from the holders of the Performance Investment Shares

Investment in real assets with stable growth in value, backed up to 2/3 by IC GROUP

Diversification of investment assets and activities (broad portfolio of IC GROUP sub-fund structures)
